

MICHIGAN CITY AREA SCHOOLS  
PARENT PERMISSION SLIP

The Future Wolves Athletic Program is considered to be an important part of the PE program in Michigan City Area Schools. If your child is to participate in our athletic program, we will need you to complete the consent form below and return it to the main office of your child's school.

We strongly recommend that every child have a yearly physical examination before participating. No child will be allowed to participate until this form is returned.

---

I give my permission for \_\_\_\_\_, a student at \_\_\_\_\_ School to participate in all athletic activities during the 2023-24 school year. To my knowledge, my child is in good physical condition and is able to participate.

I understand that my child must be picked up within 15 minutes of the end of all activities. Failure to do so more than twice will result in my child not being allowed to participate further in athletic activities.
