School Year 2018 - 2019

Scholarship Application Overview 2018

Michigan City Indiana Community Scholarship Foundation, Inc., (MCICSF, Inc.) student scholarships are awarded on the basis of merit, financial need and proven and projected ability to achieve goals; first-time college applicants must have a cumulative grade point average of 2.5 on a 4.0 scale. Scholarships are provided to undergraduate students who carry a full academic load, i.e., a minimum of 12 credit hours per semester or quarter, or who are in compliance with the full-time status requirement(s) of the institution being attended. Eligibility for funding requires proof of maintaining full-time enrollment and satisfactory grades.

Each applicant is evaluated individually. Scholarship amounts are based on funds available, the merit of the application and the number of students who apply. A scholarship one year does not guarantee future scholarships.
