

YOUR DOOR TO THE FUTURE

# COSMETOLOGY

Although styles will change, a cosmetologist's task will always remain the same... to help both men & women look attractive! As a student stylist at our on-site salon, AKScissors, you will be shampooing, cutting, styling, straightening, perming, and coloring hair. You'll also be giving manicures, pedicures, providing scalp and facial treatments, and applying makeup. At the end of this program, you will be able to start your career as a licensed cosmetologist.
