

NEW CLASSES FOR PROJECT-BASED STUDENTS

Starting on Monday, July 8, 2013, students in the summer school project-based classes will rotate to a new class. Our children have made many new friends and gotten along well in these classes. Many of our students want to move to a new class with the friends that they have made during these first few weeks of summer school.

Students currently in Mrs. Beres's "Fun with Foods" class will move to Ms. Will's "Creepy Crawly Creatures" class.

Students currently in Mrs. Tuesberg's "Secret Formulas" class will move to Mrs. Beres's "Fun with Foods" class.

Students currently in Ms. Will's "Creepy Crawly Creatures" class will move to Mrs. Tuesberg's "Secret Formulas" class.

It is going to be a fun final two-weeks of summer school!
