

Dear Parents and Students,

Again this school year, MCAS will use eLearning when school is closed due to bad weather **AND** on scheduled days throughout the year when teachers are attending professional development. We have created a how-to guide for logging on and accessing e-learning information.

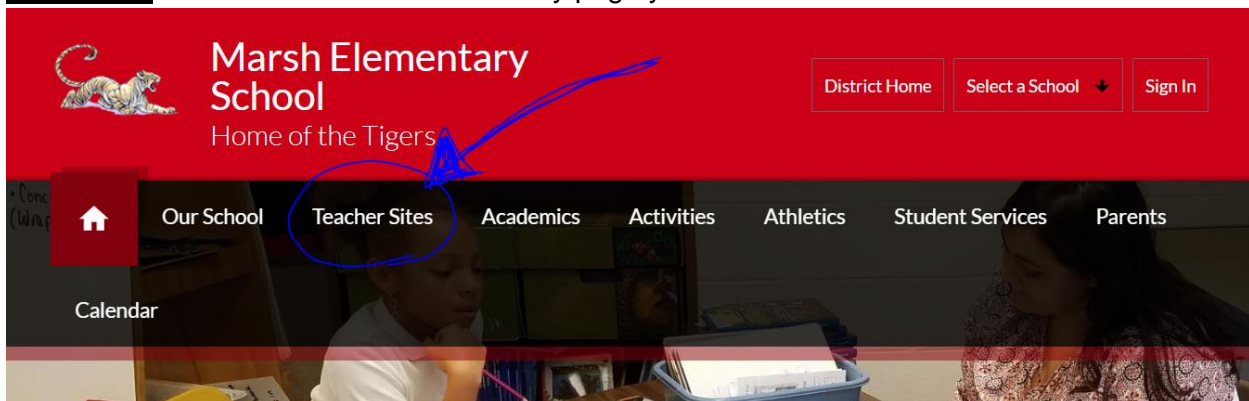

Step One: Open your web browser (we recommend using Google Chrome, but any browser will work).

Step Two: type- *www.educatemc.net* into your web address bar.

Step Three: Near the top of the page you will see an option to Select a School. Use the drop-down menu to select Marsh Elementary.

Step Four: Once on the Marsh Elementary page you will click on Teacher Sites.

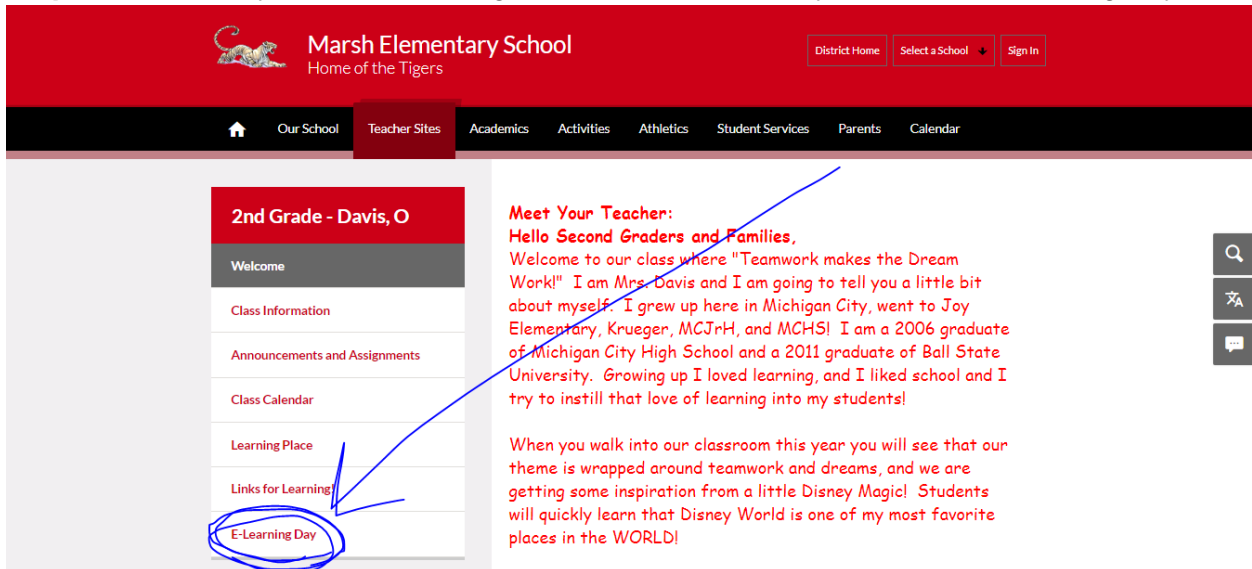

Step Five: Find your teacher. Teachers are listed by grade. Here is what the page looks like.

Teacher Sites Directory

1	5	Co-Teacher - Zaknoun, A
• 1st Grade - Cusick, S	• 5th Grade - Anthony, N	K
2	• 5th Grade - Skibo, A	• Kindergarten - Breen, E
• 2nd Grade - Davis, O	6	• Kindergarten - Chenault, K
• 2nd Grade - Kelly, K	• 6th Grade - Knowlton, J	• Kindergarten - Shell, S
3	• 6th Grade - Neal, M	L

E-Learning Day

Meet Your Teacher:
Hello Second Graders and Families,
Welcome to our class where "Teamwork makes the Dream Work!" I am Mrs. Davis and I am going to tell you a little bit about myself. I grew up here in Michigan City, went to Joy Elementary, Krueger, MCJrH, and MCHS! I am a 2006 graduate of Michigan City High School and a 2011 graduate of Ball State University. Growing up I loved learning, and I liked school and I try to instill that love of learning into my students!

When you walk into our classroom this year you will see that our theme is wrapped around teamwork and dreams, and we are getting some inspiration from a little Disney Magic! Students will quickly learn that Disney World is one of my most favorite places in the WORLD!

Now you will follow the directions given by your teacher on their E-Learning Page.

Don't forget... you might have specials! Check the bottom of your teacher's E-Learning Day Page to see what specials you have, and the links.

The following are your (child's) username and password for **CLEVER**.

Your (child's) Username: _____
