

The state of Indiana requires each school to report data annually regarding students with dyslexia.

	Dyslexia Intervention Program Used	Number of Students Receiving Interventions	Total Number of Students Identified with Dyslexia Characteristics
2018-2019	None	0	0
2019-2020	Orton-Gillingham	68	27
2020-2021			

If you have questions about support materials to use at home with your child, please contact your child's teacher and/or principal.
