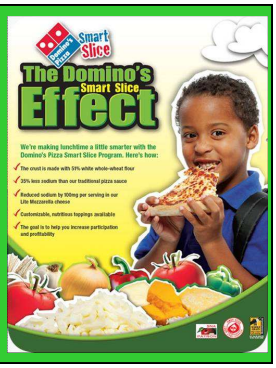
Want to Reward Your Students with a Pizza Party?

Try our Domino's® Smart Party!

MCAS Food Service



What You Get:

Each student receives one large slice of Dominos® Smart Slice Pizza (made especially for us to meet our standards), vegetables, fruit and milk. The party will be served to students in lieu of a regular lunch which enables us to offer the party to you at the same cost students pay for lunch. However, you will be billed for the meal because students cannot be automatically charged for a purchase ordered by someone other than a parent.

What You Will Be Charged:

Parties must be ordered in increments of 10. You will be charged $1.00 for each additional slice beyond the actual number of students and adults in order to meet the increment.

Example: You want to order a party for your class of 26 students plus yourself (= 27), so you will need to order 30 to meet the increment. Based on students' eligibility in this example, your cost would be:

21 Students are free:	21	x	.00	=	.00
2 Students are reduced:	2	x	.80	=	.80
3 Students are full price:	3	x	2.00	=	6.00
1 Adult	1	x	2.75	=	2.75
3 Additional slices :	3	x	1.00	=	3.00
30	Total Cost*:				$ 12.55

*Your cost could be more or less based on the actual eligibility of the students you are purchasing for. We would be happy to quote a price for you if you provide a list of names. In this example, a complete healthy meal in the form of a fun party delivered to the location you specify averages only 46¢ per person!

How To Order:

Order forms are available in the school cafeteria or you can contact Chef Pat, Food Service Field Coordinator at ext. 8401 or via email at: pmockus@mcas.k12.in.us

Thank You for Supporting Our Child Nutrition Programs!
