Guardian Vision

- Benefit includes coverage for glasses or contact lenses, not both.
- The contact lens allowance is applied to the cost of the contacts and the fitting and evaluation when the member utilizes an OON provider.
- Complete eyeglasses must be purchased at one time from one provider. For example, if a member purchases only lenses, he or she cannot purchase frames later in the same benefit period. The member is not eligible for new vision materials until the next benefit period.
- Due to lower prices being available at Walmart, Sam's Club and Costco locations, the discounts do not apply.
- Not all Pearle Vision stores are participating in network locations. Not all doctors in the retail locations are in network. Some retail locations are materials only and do not offer exams. See the directory and contact the location to ensure participation.
