

How to Get the Most from Your Dental Benefits

Dental benefits can help boost your physical and financial health. Find out how to get the most from your plan.

Draw on the protection provided by your benefits

Visit any dentist

You are free to visit any provider, regardless if they are in or out-of-network. Plus, your family members do not have to see the same dentist.

Save with a network dentist

Costs for more serious dental procedures, like fillings and crowns, are typically reimbursed at a higher rate when you visit a network dentist. And network dentists have agreed to charge up to 25-50% less than their regular rates.

Know your cost

Located in your secure member account, the Dental Cost Estimator lets you compare estimated procedure charges based on ZIP Code. You can search estimates for both in and out-of-network providers.

Ask your dentist to submit a pretreatment estimate for any dental work you consider expensive. Then Reliance Standard will let you know the amount insurance will cover so you can budget for the remainder. The pretreatment estimate is based on your plan benefits and submitted claims.

Find out if your dentist is in the network

Visit <https://rsl.com/dental-vision/> to find a new dentist or see if your current provider is in the Ameritas Dental Network.

Nominate your dentist

If your dentist is not in the network already, just go to <https://rsl.com/dental-vision/>, search for "nominate a provider" and complete the online form.

Exceptional network

The Ameritas Dental Network is one of the largest in the nation. And now you can visit dental providers in Mexico through AmexUS. Plan discounted fees and agreements will be honored by AmexUS Mexico providers, and claims will be processed by Reliance Standard.
