

# ICES is looking for American Host Families!

**Have you ever considered hosting an exchange student?**

**Now is your chance!**

International Cultural Exchange Services (ICES) is seeking families interested in hosting international high school students, ages 15-18, from Europe, Asia and Latin America for the upcoming School Year. Students have their own spending money and insurance, and an ICES Local Coordinator provides supervision and support.

Hosting an exchange student is a rewarding way to experience another culture. The benefits are endless when you open your heart and home to welcome a new son or daughter into your family!

**For more information about hosting an ICES High School Student**

**Please contact Jamie, your local ICES Local Coordinator**

**at (219) 229-0271 or [JLeDonne@icesusa.org](mailto:JLeDonne@icesusa.org)**
